## What makes us Smile

I know one thing that makes me smile is babies. How about you? Many people will stop everything at the sight or sound of a baby and will flock to gaze at the little one. Perhaps babies bring a smile because of the wonder of a new life. So precious, tiny and full of promise. Seeing a baby can remind us of our awesome God and the great love He has for us. He created us in His image and likeness. He gave us life and formed us in our mother's womb.

God gives us physical life but He also offers a spiritual rebirth through Jesus Christ. Jesus tells us He is the Alpha and the Omega, the beginning and the end. God promised to all who believe in Him, new bodies and life eternal, when Jesus comes again. Each day is a new beginning for all of us. May we celebrate each new beginning that which makes us smile!!

Together through prayer and service,  
Deacon Mike
