

### **2020 Christmas Toy Drive**

This year we have the opportunity to help some local churches with a toy drive for the children in Louisiana who's families have been effected by flooding from the recent hurricanes. Our goal is to help as many families as possible. Here are the details:

We will be collecting unwrapped new toys starting now until December 2nd. This will allow time for the toys to be transported to the church in Louisiana for distribution.

During the week new toys can be dropped off at the parish offices during business hours. On the weekends they can be placed in the bin by the south entrance to the church at St. Margaret Mary.

At St. Pat's the bin will be located at the main entrance in the church. For anyone uncomfortable with shopping right now we are happy to receive monetary donations. We have people willing to shop for the toys for you! Any questions please contact Melissa at the St. Margaret Mary parish office. 812-232-3512
